MUSEUM PLANNING AND ENGAGEMENT

2017 marked the fourth full year of the implementation period for the Museum and Gaol's Strategic Plan. Work throughout 2017 aimed to fulfill goals of dynamic programming; further creation of a distinct brand for the Museum; alignment of physical facilities with future aspirations; development of community partnerships; increase in attendance; and building capacity in marketing, communications and sponsorships; as well as other tenants of the Strategic Plan.

2018 initiatives will include the increased access to the Museum's resources through on-line initiatives as well as participation in community events and programming with a diverse and inclusive perspective; an increase in community partnerships, research and programming; an increase in attendance through accessible visitor pricing; diversification of funding through sponsorship and donation opportunities; and site improvements to the exhibit, storage and care of Museum collections.

SPECIAL INITIATIVES

- A grant was received from New Horizons for Seniors, Social Development Canada for the development, installation and outreach use of touch screen technology regarding the history of the Huron Historic Gaol. A 30 page booklet "The Huron Historic Gaol" was also written and produced for use with programming, outreach and sales.
- Grants were received from Young Canada Works in Heritage Organizations and the Ontario Summer Experience Programme for summer staffing opportunities for the Museum, Gaol and Archives. Two internships were also funded through Young Canada Works at Building Careers in Heritage for recent graduates. Each allowed us to work on various projects including collections management, public programming, and research.
- Marketing was extended through radio and print advertising, increase in social media, and development of an on-line newsletter. New street facing signs were installed at the Museum & Gaol to reflect the site's new branding.

EXHIBITS

The Huron County Museum facilitated a number of temporary exhibits on site throughout 2017.

HURON POTTERY: UNEARTHED

Huron Pottery: Unearthed exhibited artifacts from the Huron Pottery which was one of Ontario's oldest and longest operating earthenware workshops, producing pottery from 1853 to 1910. The Huron Pottery operated in Egmondville, Huron County and excavations of the site took place from 1974 to 1976 with the archaeological collection now stored at the Huron County Museum.

HURON COUNTY: THE DRY YEARS

Huron County: The Dry Years was developed and installed in the Feature Gallery for the busy summer season. The exhibit explored the story of prohibition in Huron County during the time of the Scott Act (1878 to 1959). As one of the last counties in Canada to uphold the Act, a dry Huron saw many different incarnations during that time.

HURON COUNTY ART SHOW AND SALE

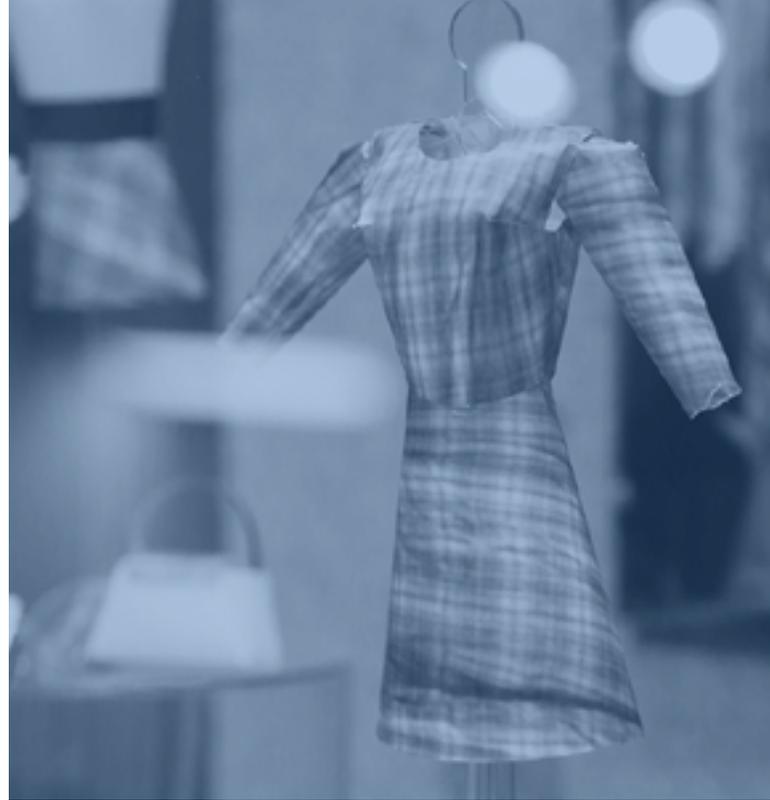

The annual *Huron County Art Show & Sale* displayed the works of 35 artists from around Huron County with the theme of "My Canada." Two artworks were selected from the entries for addition to the Huron County Art Bank.

HOT OFF THE PRESS

Finally, for the end of 2017, an exhibition *Hot off the Press* was developed and displayed featuring notable articles from our rural newspapers from the 1840s to the present, and the stories behind the headlines. The exhibit served as backdrop to various programming and event activities which made use of the space for the winter months.
