

IRON WILLED: WOMEN IN STEM

May 6 to September 2, 2019

The Huron County Museum is excited to offer your class a chance to experience and explore *Iron Willed: Women in STEM*, a travelling exhibit from Ingenium: Canada's Museum of Science and Innovation. Participate in an interactive and inquiry-based educational program aimed at grades 5-8.

This travelling exhibit will look at the obstacles and accomplishments of extraordinary women in science, technology, engineering and math in the past, present and future. The exhibit features women from across Canada, the world, and from right here in Huron County.
